Honorable W. Stanley Naughtright,
744 Broad St.,
Newark, N. J.

Dear Sir:

Upon my return to the City I learned your Secretary had called my office, due to the fact you had not received an answer to your letter. The delay in answering was caused by the letter being filed with all other answers to be taken care of at the same time. Your letter should have received special attention, I am sorry.

The tickets are being enclosed, and I am looking forward to meeting you personally at the game.

I hope we afford you a very pleasant afternoon.

Very truly yours,
